Dear Brothers and Sisters:

Safely Returning to Church Meetings and Activities

As the First Presidency recently announced in a letter dated May 19, 2020, the Church is now beginning a phased approach to resume church meetings and activities. As an Area Presidency we continue to monitor the situations of each country in our area. We are working closely together with the Presidency of the Seventy and the Quorum of the Twelve to determine the best approach to resume operations here in the Asia North Area.

We will be in touch with you shortly regarding more details of how resumption of activity will be handled in our area, but for the time being ask that you continue to refrain from gathering together.

We look forward to the time when we can once again meet together and greatly appreciate all that you have done to minister to each other during these challenging times. Please know of our deep love for each of you.

Sincerely,

Asia North Area Presidency
